

# GOOD NEWS OF GREAT JOY

Prison Network Ministries  
Year in Review

What a great year! God connected us and transformed women in prison and provided for them when they were released. Their children were encouraged in camps & Fun With Mum. We added new programs to our already effective ones, expanded our volunteer and donor bases, were blessed with an office (free!), hired Admin staff, upgraded our database and some procedures, built relationships with new prison staff and support partners, continue working on new strategies for sustainability, sat favourably in meetings at Dept of Justice, enjoyed meeting some of you at our fund-raising events and will soon be helping wrap close to 400 gifts to be delivered to the women in DPFC and Tarrengower for Christmas.. Whew! It's been busy....but o so worth it!!

"Dear Prison Network Ministries, I think back to how empty, useless and insignificant I felt, how separated, dark and hopeless I thought my situation was. All I can say is, "Thank-you God" for blessing me with PNM.

Your words of wisdom, encouragement, support, guidance, your time and how accepting you are has sparked a light in me that has restored me. I have hope again. You don't care about what I've done, where I've been or where I come from. All you want is me. You see potential in me and you made me believe I am worth more than this. At my lowest, you remind me how valuable I am and how I can have a better life. I can be the best I want to be. I can do this because you believe in me...It is through you that I found God and it's through God that I finally found life! You've helped me be a mum again, a daughter again. When I lost all hope, you helped save me. So continue saving the hopeless because they need to find hope again. Thank you, thank-you so much." G.

You ARE making a difference!  
And along with G, we too say THANK YOU!!  
For your prayers, support & encouragement.

May your Christmas (and every day!) be filled to overflow with the Love & Peace of God.

Merry Christmas and Happy New Year!

Diane Spicer and Prison Network Ministries
